

Orion Harriers Seniors and Juniors

Safety Guidelines

WHEN REPRESENTING ORION HARRIERS ALL COACHES, OFFICIALS, VOLUNTEERS MUST:

Check that the area and surroundings are safe and fit and appropriate for the activity, in the anticipated weather conditions; highlighting any potential safety issues and how to manage them.

Check that all equipment is fit and sound for the activity and suitable for the age group/ability.

Before the session/event begins, check that participants are safely and appropriately dressed and physically capable of completing the session. Ensure all participants understand the session and any potential issues associated with it.

Be aware of the emergency procedures for the venue. For example, where are the other responsible adults? Is there a phone available?

Always work within Club and National Governing Body Codes/Guidelines.
