

## CRITERIA FOR ALLOCATION OF LONDON MARATHON PLACES 2024

1. First Claim member of Orion Harriers (ideally since at least 31 October 2022).
2. Paid membership subs for 2023/24 in full by date of application.
3. Applied in public ballot for 2024 and was rejected.
4. Notified Honorary Secretary (Roy Perrott) in writing ([secretary@orionharriers.com](mailto:secretary@orionharriers.com)) by no later than midnight on **26 November 2023** that you wish to be considered for a Club place, explaining *in detail* how you meet the criteria set out in point 6 below.
5. Application to include proof of rejection (by way of rejection letter or email from the organisers). A copy of the rejection magazine is not sufficient.
6. Volunteered for the Club in the previous 12 months by marshalling, helping out at Club events, taking out groups or providing other assistance to the Club.
7. Where applicants have made a similar contribution, preference will be shown to those who have not previously been given a Club place.
8. Places to be allocated by the Club Captain, whose decision is final.
9. Applicants will be notified by early December whether they have been successful.
10. We are expecting to receive **three** places this year. Unless there are three outstanding candidates, the Club Captain is considering offering the third place via a ballot among those who have applied, which would be held at our Awards Night on 2 December.
